

Calling all window-fashions retailers, designers, and workrooms:

Where were you twenty years ago? Are you celebrating a **20-something milestone**, in years or number of employees or customers? Perhaps you've grown your retail showroom or workroom from humble beginnings—from two customers to 200; from 200 square feet to **2,000**; from **\$20,000** in annual revenue to **\$200,000** or **\$2 million**. In honor of *Window Fashions'* 20th-anniversary celebration, we'd like to devote this back page of upcoming issues to window-fashion businesses that are celebrating similar milestones. Maybe your business has been around since the 1920s and you want to share photographs of the old storefront. Maybe you want to share then-and-now photos, along with an account of how far the business has come in the past **20 years**.

20/20 Hindsight will tell the stories of retailers, designers, and workrooms that are celebrating a 20-something milestone or that have been around since the 1920s. If you think your business is a good candidate for this feature, please complete this survey and fax it to Linda Henry, 651/653-4308, or e-mail linda@gracemcnamarainc.com. If your company is chosen for a 20/20 Hindsight profile, we will contact you regarding photography and further details in order to write your profile.

Phone _____ Fax _____ E-mail _____

Address _____

City/State/Zip _____

Brief description of company milestone as it relates to a 20-something anniversary and/or being in business since the 1920s:

If there is vintage photography available (from 1920s or 1980s) and/or current photography available, please describe below.*

Thank you for sharing your story with *Window Fashions'* editorial staff.

*To be produced in the magazine, digital images must be at least 300 dpi and at least 4" by 6" in size. Do not send photography now. *WF* will contact you as needed regarding logistics of scanning old photographs and/or submitting digital images.
